OPEN CLASS GENERAL RULES

PREPARATION AND ENTERING OPEN TO ANYONE

Exhibitors will place their articles, produce and livestock on display at their own risk. The greatest of care will be exercised by the superintendents of each division to protect displays but the management of the Nemaha County Free Fair, Inc. will not be responsible for damage of any kind to articles, produce or livestock on display at the fair.

1. No animal or article will be assigned a place on the grounds until the entries shall have been made as above.
2. Such statements and copies of pedigrees of livestock as are required to be examined by the awarding committee must be filed with the secretary before their books go into the hand of the superintendents. All persons having purebred stock to exhibit shall appear before the executive committee when requested and give satisfactory evidence of the correctness of the pedigree of livestock and registration of the same. Exhibitor must show health and registration certificate.
3. If the property owners or others interested in the property desire protection against loss, damage from injury, against fire or from any other cause, they must make their own arrangements and pay for such insurance.
4. All fans used at the Fair should be covered to prevent injuries.

CONDITIONS OF ENTRY

1. Every animal or article must be the workmanship of the owner but may be entered by the owner of his agent.
2. All work must be completed within the last 12 months.
3. Persons making entries will be furnished with a card to be placed on the animal or article to be exhibited, giving number of entry, class, and lot by which alone it will be known to the awarding committee.
4. All breads, cakes and pies will be sold following judging.
5. Foods and fine arts are limited to three entries per individual in each class.
6. Individuals may enter in only one of the following divisions: Regular (Division A), Senior - 60 & over (Division B), Nursing Home or Sheltered Living Residents (Division C) or Youth 18 years and under (Division D).

8. County Fair officials will follow the recommended State of Kansas Animal Health Department recommendations listed elsewhere in this bulletin.
9. Exhibitors of livestock will be required to keep their stalls open and their stock uncovered each day during the fair and keep their stalls clean.

PREMIUMS

1. No animal or article deemed unworthy shall be awarded a premium and in these cases the judges shall decide whether the animal or article is entitled to an award or not and shall also declare the grade of same and where there is no competition, premiums shall be awarded on merit and may be awarded first, second or third premium.
2. No animals entered in any livestock class will be awarded a prize unless same is really a show animal and fitted and sufficiently meritorious to creditably compete in any exhibit of its type.
3. Even if there is no competition other than his own in an animal class, an exhibitor may receive regular premiums if they are merited.
4. All premiums awarded will be paid as in premium list, provided the receipts are sufficient to pay in full; and if not, premiums will be prorated.

JUDGING

1. Expert judges will judge all livestock and farm products. In other cases a competent committee, selected by the executive committee, will judge and award premiums.
2. Areas may be roped off but no doors shall be closed during judging.

3. No person will be allowed in the livestock ring when the judging is being done except the judge, the superintendent of the class and the exhibitor. In every department, the judge and his assistants must be left by themselves and in no way interfered with while the judging and awarding of premiums is being done.
4. No exhibitor's article or animal class may be changed unless the owner can be located and shown just reason.
5. The decision of awarding judge or judges shall be final and no appeal will be considered except in case of protest.
6. Protests must be filed in writing with any fair board member prior to judging and will be determined at such time.
7. All protests will be determined by the executive committee accompanied by an affidavit setting forth the grounds for protesting. To avoid ill-considered and ill-advised complaints, a deposit of \$5.00 must accompany every protest which shall be forfeited to the Association if the protest is found not to be justified.

LIABILITY FOR DAMAGE

1. Every animal and article upon the grounds shall be under the general control of the Association during the Fair and while every precaution will be taken for safekeeping of the same, neither the Association nor its officers or agents will be responsible in any case for any loss, damage or accident that may occur. Due diligence will be used by officers of the Association to safeguard and prevent injury to persons; but the Association will not be responsible for accidents or injury which may happen to such persons through their own carelessness or disregard for the rules and orders of the Association and its officers.
2. In no case shall the Nemaha County Fair or any of its management be held responsible for any loss, damages, accidents, injury or death from any cause while exhibitors or their property are on the fairgrounds or any other time or place. **WARNING:** Under Kansas law, there is no liability for an injury to or the death of a participant in domestic animal activities resulting from the inherent risks of domestic animal activities. You are assuming the risk of participating in this domestic animal activity. K.S.A. 60-4001 through 60-4004.

3. First premium exhibits in the various classes are in line to compete in their respective class for a sweepstake or champion.

LIVESTOCK HEALTH REQUIREMENTS:

<https://agriculture.ks.gov/divisions-programs/division-of-animal-health>

GENERAL REQUIREMENTS

All animals are subject to examination by the exhibition staff or their representatives, and shall be free of clinical signs of infectious or contagious disease. Animals determined by exhibition staff to have not met listed requirements will not be permitted to exhibit.

VETERINARIANS MAY BE AVAILABLE TO PROVIDE HEALTH INSPECTION at check-in. Check your local county fair guide or call your local extension office to determine which options are available for your county fair. Veterinarians may reject any animal deemed by them, for any reason (including, but not limited to, malnutrition, mismanagement, abuse or disease), to be unfit for exhibit. Animals not passing health inspection will not be permitted to unload.

OUT-OF-STATE LIVESTOCK

Contact any Meadowlark Extension District for current health requirements. Kansas Animal Health Department guidelines will be followed.

CATTLE

The Kansas Department of Agriculture Division of Animal Health (KDAH) requires no tests on cattle and bison of Kansas origin. Cattle determined by exhibition staff to have lesions of ringworm, warts or infested with mange will not be permitted to exhibit.

SWINE

Swine originating in Kansas must meet the general requirements. Kansas has obtained Stage V status in the National Pseudorabies Program, and the state is classified free of swine brucellosis. Negative pseudorabies and brucellosis tests are not required for Kansas origin swine.

SHEEP

In addition to the general requirements, all sheep shall:

- Be free of any signs of sore mouth
- Be free of signs of active fungal (ringworm) infection, including club lamb fungus
- Be identified with an official USDA premises identification tag (Scrapie tag.)

GOATS

In addition to the general requirements, all goats shall:

- Be free of any signs of sore mouth
- Be free of signs of lesions of ringworm, warts or infestation of mange
- Be identified with a registered tattoo or an official USDA premises ID tag (Scrapie tag.) Goats identified with registration tattoos must have legible tattoos and must have registration papers for these animals available for inspection.

HORSES

Horses shall meet the general requirements. A negative test for equine infectious anemia (Coggins Test) within 12 months prior to exhibition should be considered, but this is not required by the KDAH.

POULTRY

All poultry, except waterfowl, must show proof that they are Pullorum-typhoid clean by one of the following methods:

- Originate from a U.S. Pullorum-Typhoid clean flock as evidenced by an official VS Form 9-2, certifying all birds in the flock over four months of age have had a negative test for Pullorum-typhoid within the past year.
- Present evidence that the entries were purchased from a U.S. Pullorum-Typhoid clean source and have been the only poultry on the premises (Presentation of a VS 9-3 Form received when poultry were purchased).
- Present an official VS 9-2 Form, signed by an official testing agent showing the entries have had a negative Pullorum-typhoid test within the proceeding 90 days.
- If an official tester is on-site at the county fair, entries may be tested prior to entry into the facility. A VS 9-2 Form must be completed for each entry. If any birds in an entry test positive for Pullorum-typhoid, the entire entry as well as all other birds from the same premises will be refused. Therefore, it is strongly recommended that birds be tested prior to arriving at the fair.

All poultry must be free of all external parasites. Birds with parasite infestations may be refused for exhibit. Consult your local veterinarian or the Meadowlark Extension Office for information on the appropriate prevention and treatment of external parasites in poultry prior to exhibit.

RABBITS AND PIGEONS:

Rabbits or pigeons showing symptoms of infectious or contagious disease or parasites may be rejected.
