

2017 Chemical Weed Control Guide

The new KSU Chemical Weed Control Guide is now available online at:

<http://www.bookstore.ksre.ksu.edu/pubs/SRP1132.pdf>

Hard copies will be available through Meadowlark Extension District Offices after mid-January

Merry Christmas from the Meadowlark Extension District!

As 2016 draws to a close and we look ahead to 2017, I wanted to pass along information on the KSU Corn and Soybean Production schools scheduled for this winter in NEK. Corn School information can be found below. The Soybean School information is on page two.

Tentative plans call for weed management meetings across the District in late February/early March. Be on the lookout for details on those coming soon.

Hope you and your loved ones have a wonderful Christmas!

David G. Hallauer
Meadowlark Extension District Agent,
Crops & Soils/Horticulture

K-State Corn School

This year's K-State Corn Management School is January 13th at the John Deere Ag Marketing Center, 10789 South Ridgeview Rd., Olathe

Sponsored in part by the Kansas Corn Commission and Pioneer, the program will include discussions of on-farm research, high-yielding corn production practices, weed control, soil fertility, and price and market perspectives.

Registration is free (lunch included) and can be made by January 6th through any office of the Meadowlark Extension District or online at: <http://bit.ly/KSCORNSchools> .

Primarily supported by:

2017 K-State Soybean School

The K-State Soybean Production School will be held this year on January 27th at the Highland Community Building, 501 West Avenue in Highland. Program topics will include weed control strategies; production practices; nutrient management; and insect/disease pressures.

Lunch is courtesy of Kansas Soybean Commission. There is no cost to attend. To help with a meal count, please pre-register by January 19th to a Meadowlark Extension District Office (or dhallaue@ksu.edu) or the Brown County Extension Office at (785) 742-7871. Online registration is available at: K-State Soybean Schools <http://bit.ly/KSBEANSchools> .
