Helpful Hints: A simple dip may be all it takes to sell kids on vegetables. This tasty, low fat dip is easy and so flavorful the whole family will reach for veggies to dip.

Safety Tip: Young children naturally take a bite of food, and re-dip into sauce or dip. To prevent from mixing germs into the dip, be sure everyone has their own serving of dip separate from the serving bowl. Leftovers (that haven't been dipped in) can be covered and stored for up to three days in the refrigerator.
