What is 4-H?
We teach kids from all backgrounds how to become well-rounded individuals. We do that by teaching the four H’s:

Head — Make sound decisions, stick with your goals and develop practical skills.

Heart — Act with integrity and accountability.

Hands — Put the needs of the community first and commit to serving others.

Health — Actively take care of your mind and body.

What will I do?
4-H centers around projects. Members choose from a wide range of individual projects based on their interests and community availability. Through these projects, members set goals, learn the necessary skills, and exhibit or demonstrate their skills at events like county fairs, speaking contests and competitions.

What can I do?
If you’re interested in something, it can probably become a project. Here’s a sampling:

Clothing and textiles
Pet care and training
Electricity
Food and nutrition
Geology
Horses
Leadership
Photography
Reading
Robotics, rocketry
and GPS
Small engines
Visual arts and crafts
Wildlife
Woodworking

How can I get involved?
Join a club! 4-H clubs are groups of families and volunteers who generally meet monthly. At meetings, youth members share their projects, plan community service activities and practice running meetings. There are many sub-clubs for individual projects led by adults or older members.

Visit Kansas4-H.org for more information or to find a club near you!
