Fair Entry

Fair season may seem like a long way off, but it will be here before you know it! Everyone is hoping for a more “normal” fair that what we had in 2020, but there are too many variables between then and now to say exactly what the fair experience will be. Stay tuned! What we DO know is that we will be using a new fair management software called FairEntry.

This will have a new look and feel as we move into pre-entry, entry cards, schedules, show breaks, results, etc... Most of this will fall on the shoulders of Extension staff, but there are a few noticeable things you as members and families need to be aware of. We will continue to communicate on this, but here are some highlights for today.

- Online entry, directly into the database, will be made by members/exhibitors
- Compatible with 4HOnline, so your personal information will connect from that system.
- Compatible with LearnGrow, so your YQCA certification will connect from that system
- Same system as Kansas State Fair, so entries will “connect” from County to State

4-H Club Day

2021 continues to ask all of us to be flexible as we work to have 4-H opportunities, while maintaining a safe and healthy environment for all participants. 4-H Club Day is no exception. After submitting a request to hold in-person events, seeing an overwhelming number of in-person meeting request from clubs and following much discussion; we’ve decided to offer 4-H Club Day in-person. There will, however, be the option for virtual presentations to be given in advance of the in-person event.

While we appreciate your enthusiasm and typically encourage participation in several areas, this year we would request that you focus in on one or two areas and enter only what you know you will be able to present. Additionally, we appreciate limiting time spent and people in the facilities as well. We will be required to follow all the local health guidelines, including social distancing, masks, hand and surface hygiene. Details and sign-up process are found in the local office pages and/or have been communicated in other ways, so please review and let us know what questions or concerns you have. General Club Day resources can be found at: https://www.meadowlark.k-state.edu/docs/4h/resources/4H-Club-Day-Guide-Book.pdf
**Premium Sale Requirement**

Any 4-H member wishing to participate in premium auctions at county fair, need to annually complete the premium sale requirement form. This form has been reviewed, with the emphasis put on virtual opportunities, serving as satisfactory replacement for in-person activities of 2020-21. The process encourages year-round 4-H engagement and involvement. FFA member (in counties where eligible for fairs) have a corresponding set of requirements. To review the form please visit: [https://www.meadowlark.ks-state.edu/4-h/forms.html](https://www.meadowlark.ks-state.edu/4-h/forms.html) Changes from the previous versions are highlighted in yellow.

**YQCA**

Page 3 of the Dec/Jan 4-H Newsletter discussed the current plan for certification in Youth for the Quality Care of Animals (YQCA). We will continue to monitor the health environment and notify everyone if any in-person trainings will be scheduled within Meadowlark District. Online training is now open! Log in at: [https://yqca.learngrow.io](https://yqca.learngrow.io) and choose to use the 4HOnline Sign In Option, selecting “Kansas 4-H Youth Development” and using your family 4HOnline log in email and password. Online Courses will cost $12, which should be paid for electronically with a credit/debit card online. To fulfill training, youth will complete all the online modules.

Here’s the refresher on the main points of YQCA.
- National multi-species quality assurance program for youth ages 8 to 21 (age Jan 1, 2021) Please NOTE that 7 year olds are not able to be certified through this system and will be exempted of this requirement locally.
- Meadowlark District youth must complete this process ANNUALLY before July 1
- Focus on three core pillars: food safety, animal well-being, and character development
- For youth showing: Beef, Dairy (Cattle & Goats), Meat Goats, Market Rabbits & Market Poultry, Sheep and Swine.
- Part of the Premium Sale Requirement form

**Kansas Junior Producer Weeks**

As discussed in the Dec/Jan newsletter, the Kansas Youth Livestock program has converted the popular, annual, Junior Producer days to virtual as a week-long educational series in February and March. A few sessions will be held on weeknight evenings, with the program wrapping up on Saturday morning. If you’ve always wanted to know what these events were about, but couldn’t make the Saturday trip to Manhattan work, HERE’S YOUR CHANCE – FOR FREE! All ages and knowledge levels are invited! Details for each event follow.

**Junior Swine Producer Week** is scheduled for **February 15-20, 2021**. K-State faculty members, graduate students and guest speakers will cover topics including selection, nutrition and feeding, meat science, health, grooming and clipping, showmanship, and the state livestock nomination process. The program will be free this year, but all attendees, including youth and adults, must register online ([https://bit.ly/KSUJrSwineWeek](https://bit.ly/KSUJrSwineWeek)). The deadline to register is **Feb 8**.

**Junior Meat Goat Producer Week** is scheduled for **March 15-20, 2021**. K-State faculty members, graduate students and guest speakers will cover topics including selection, nutrition and feeding, livestock guardian dogs, health, grooming and clipping, showmanship, and the state livestock nomination process. The program will be free this year, but all attendees, including youth and adults, must register online ([https://bit.ly/KSUJrMeatGoatWeek](https://bit.ly/KSUJrMeatGoatWeek)). The deadline to register is **March 8**.

A flyer for both events, which includes more details and the tentative schedule, is posted at: [http://bit.ly/ksujrproducerdays](http://bit.ly/ksujrproducerdays). For more information, contact Lexie Hayes [adhayes@ksu.edu](mailto:adhayes@ksu.edu) or 785-532-1264.
Congratulations to Crops Judging Youth!

The State 4-H Crops Identification contest was held virtually in December. Meadowlark District youth have had a long history of success in this contest area, which continued online!

Results are:

**SENIORS**
- Jacob Heinen
- Jonah Deters

**INTERMEDIATES**
- 4TH PLACE TEAM
  - Jack Macke
  - Jyllian Stapelton
  - Vincent Deters
  - Keelan Beyer
  - Braden Macke

**JUNIORS**
- Kendal Bergman — 1st!!!
- Well done 4-Hers!!!

Keep watching for virtual practice contest to be rolled out on our website, https://www.meadowlark.ks-state.edu/4-h/virtual_judging_contests.html, from now through the summer months. We will try to offer contest in every area where a state 4-H contest opportunity exist.

**Beef Weigh-Ins**

Current plans are to move forward with in-person beef weigh-in events. These offer the opportunity to tag market beef, establish an official starting date and starting weight for the project. Generally, youth tag at the location corresponding to your county fair, but you are welcome to tag at any of the Meadowlark events. We will be asking everyone to follow current health protocols, keep the number of people in attendance low and time spent at the events limited. Cost for tags will be $3.50 per tag, payment due at weigh-in. Complete information can be found in the local office pages of this newsletter, but dates, times and locations are:

- **Feb 21**: Holton Livestock Exchange, 2:00 PM
- **Feb 26**: Seneca Veterinary Clinic, 2:30 PM
- **March 6**: Fairgrounds, Valley Falls, 10:00 AM

**4-H Citizenship in Action**

The 2021 Citizenship in Action event will happen virtually but will still be packed with amazing opportunities, **February 14 and 15**. Engage with one of the youngest legislators ever elected to the Kansas Legislature. Learn to Communicate and Deliberate on current topics that are facing our community, country, and world today.

Both Youth and Adults are invited to Virtual Citizenship In Action! Youth participants must be 13-18 years old before January 1, 2021. Youth do not have to be 4-H members to attend. Adults are needed as virtual chaperones and should be registered Kansas 4-H Volunteers. Participation will require an internet connection and a device (computer, tablet or phone). Computer or tablet preferred. More information is available at [https://www.kansas4-h.org/events-activities/conferences-events/citizenship-in-action/index.html](https://www.kansas4-h.org/events-activities/conferences-events/citizenship-in-action/index.html). Registration closes **February 1**!

**4-H Discovery Days**

Kansas 4-H Discovery Days will be delivered virtually in 2021. The event will be held on **June 1-4, 2021**. The decision to again use the virtual format was not taken lightly as the preferred format for the event would definitely be in-person. The decision is in congruence the current K-State Reopening Phase 3 guidelines and the most recent vaccine availability projections from Riley County. Be watching for more information and registration details at [https://www.kansas4-h.org/events-activities/conferences-events/discovery-days/index.html](https://www.kansas4-h.org/events-activities/conferences-events/discovery-days/index.html).

**Cancelled: 4-H Day with Women's Basketball**

After communications with K-State Sports, it has been decided by the organizing committee to not move forward with the popular, annual "4-H Day with Wildcat Women's Basketball" event this year. This decision was made in consideration of COVID-19 protocol for both KSRE and K-State Sports. The committee will remain in contact with K-State Sports with regards to any other opportunities that may be possible later this year if the overall COVID situation improves. We hope to see you all there next year! Go Cats!
Project Goal Setting

By now you have selected 4-H projects with project enrollment. It is important to plan out what you would like to learn and accomplish. What new skills would you like to gain? Who is going to help you along the way? Setting specific, measurable goals will help guide you through positive 4-H project learning experiences.

So what is a goal?? A goal is deciding what you want to do and learn in a 4-H project and serves as the road map that helps you get to where you want to go. Well thought out goals should have four parts that will allow you to measure and check your progress. The four parts of a good goal include:

1. ACTION—how are you going to do something?
2. RESULT—what are you doing to do specifically?
3. TIMETABLE—when are you going to do it?
4. ASSISTANCE—who will help you achieve this?

CONTROL TEST: Do your goals pass the control test? Do you have control over all parts of what happens? If you can answer “yes” then you are ready to begin goal setting for record keeping. For example “I want to win champion at the fair with my photograph” does not pass the control test, as you can’t control the ribbon placing a judge awards. “I want to learn how to make my photo have brighter, crisper colors when printed off”, now that is something you can control!

Goal setting should be part of every 4-H member’s annual project experience. Additionally, these goals should be recorded in the 4-H Record Book, as each project report has a goals section. Completing that EARLY in the 4-H year is better than later! Keep in mind that younger 4-H members will have fewer, less complex goals than older, more experienced 4-H members. A good rule of thumb is; three to five goals for ages 7 to 10, four to eight goals per project for ages 11 to 13 and seven to twelve goals per project for ages 14 to 18.

There is an excellent resource available to help with goal setting, from which information for this article has been taken. Setting 4-H Project Goals—4H1100 can be found on the Project Records page of our website: https://www.meadowlark.k-state.edu/4-h/project_records.html

Apply now for Academic Year and summer Inbound Exchanges

Applications from teens for 2021-2022 Academic Year Exchanges with Japan, South Korea, FLEX (Europe and Asia) and YES (Southern Europe Asia and Africa) programs should be arriving in February. Kansas families who would like to host should contact Mary Kay Munson at mkm2@ksu.edu or 785-375-3189 for an application and information about the programs. Contact Mary Kay for information on Inbound States’ 4-H one-month exchanges with countries other than Japan. Unless the date changes, applications are due March 1.

Why 4-H???

(Noting the IMPACT of the 4-H Program in the lives of young people, in their own words.)

“Through my many years in 4-H, I have learned that the people I have met in 4-H is the best part.”
News from the Holton Office

Livestock Sale
Fair board meet and voted that only 1 animal is allowed to be sold in the Livestock Sale for the 2020-2021 Jackson County Fair. You can still floor as many animals as you like, but only 1 animal per 4-Her will go through the livestock sale. Please remember to check out the Livestock Sale Premium Requirements and to be attending those club meetings and to participate in at least 4 of the approved activities.

Beef Weigh In
Will be February 21 from 2:00-4:00 PM at the Holton Livestock Exchange. Ear tags must be paid for that day and your animals breed will be determined that day as well.

Spring Sheep & Meat Goat Weigh In
Will be Thursday, May 6 from 6:00-7:00 PM at the Northeast Kansas Heritage Complex. All Market Lambs and Goats must attend a weigh in. You will be asked to identify your breed that evening for the Market Lambs. Tags must be paid for that night as well.

Superintendents Needed
If you are interested in being a Fair Superintendent please let Cara know. Help is needed in all areas. Fair Superintendents arrive early day of judging, assist with fair judging and answer any questions judges and 4-Hers may have, place ribbons on exhibits, help with fair set-up and clean-up, etc.

2020-21 Fair Booster Program
We are asking each family to sell at least 5 sponsorships. Money will be used to pay for fair judges & ribbon premium. The 4-Her who sales the most will receive a $50 gift card of their choice.

Important Dates

4-H Council Meeting
The next 4-H Council meeting will be Thursday, February 11 at 7:00 PM via Zoom. Please be watching for an email with the zoom link as we get closer to the date. Please be sure that your club is represented.

4-H Club Day
Will be held March 6 starting at 9:00 AM at Northridge Church in Sabetha. Be sure to sign up with your club leader. Be sure to check with your club leader to see what your room assignment is and time frame. Times will be assigned through the office and a final schedule will be mailed or emailed to you.

For more information on County 4-H Day, please see the publication on our website at: https://www.meadowlark.k-state.edu/docs/4h/resources/4H-Club-Day-Guide-Book.pdf

Regional 4-H Day
If you receive a Top Purple at County Club Day, you will then have the opportunity to attend Regional 4-H Day. It will be held virtual this year due to Covid. Please let your local extension office know by Monday, March 8 if you plan to attend Regionals.

**News from the Oskaloosa Office**

**4-H Club Day**
Club Day will begin in-person at 10:00 AM on Saturday, **February 20**. Major changes this year will be: 1) entry areas will be spread out in several buildings throughout the Oskaloosa community 2) there will be scheduled time slots for each entry. Once entries are received and numbers noted, we will assign locations and room monitors. There will be the option for virtual presentations to be given in advance of the in-person event. Virtual entries will be recorded by staff in an effort to keep it as similar to the in-person experience as possible (no editing). The virtual deadline for recording will be February 12.

If you are looking for helpful hints, guidelines, score sheets, and entry areas offered, please check out the resources on our Meadowlark website under Resources and Links at https://www.meadowlark.k-state.edu/4-h/resources.html Don’t hesitate to call the office if you have any questions.

If you plan to participate, please let your club leader know asap. **All entries must be turned into the office by February 5**. Presentation skills are one of the life skills 4-Hers are known for, and we hope many of you will participate.

**Volunteers**
If you have knowledge in a project area, and interest in helping others learn, please let the office and your club leaders know. We always need project leaders, and would be glad to help you go thru the steps of the certification process.

**T-Shirt Design Winner**
Congrats to Mayzie Peak of the Billtown 4-H Club for submitting the winning design!

**Leader Recognition**
We appreciate all our volunteer leaders who help club members in so many ways. If you would like to be recognized for your work at a club, county or districtwide level, there are a couple of steps you will need to follow: 1) volunteer certification completed and 2) Leader Report Form filled out and turned into your club leader or office by September 30. This form is on the Oskaloosa webpage and can include face-to-face or virtual meetings. Years of leadership are recognized at our Fall Achievement Celebration. We had another leader recognized for 50 years of leadership in 2020! Teaching life skills and seeing 4-Hers improve and have project success can be very rewarding.

**New Families**
Stay involved and attend as many events as possible, whether face-to-face or virtual formats.

**Jefferson 4-H Booster Club**
Exciting changes are being made by our new Booster Club, formerly called Fair Awards Committee! They are one example of our Council members and adult volunteers making desired changes in our fair award system. Stay tuned for more details.

If you are a **Woodworking project member**, and would like to help with fair award plaques and learn about the process and tools involved in making them, contact the office soon.

Want to be involved on the Booster Club? Contact the office so that your name can be added for meeting notifications.

**Nat’l Virtual Style Revue**
Congrats to Neva Roenne, who placed fifth in the first, National 4-H Virtual Invitational Fashion Revue. After winning the Kansas Buymanship Style Revue, she was invited to participate, and we are proud of her!
4-H Club Day
Club Day will be held March 6, 2021 at the Northridge Church in Sabetha. The event will be in person, but will also have the option of having Deb record you prior, if you do not want to participate in person. All divisions will begin at approximately 9:00 AM and we will plan to be done by noon.

We ask that you sign up with your club leader for events that you plan to participate in. While we appreciate your enthusiasm and typically encourage participation in several areas, this year we would request that you focus on one or two areas and enter only what you know you will be able to present.

Additionally, we appreciate limiting time spent and people in the facilities as well. We will be required to follow all the local health guidelines, including social distancing, masks, hand and surface hygiene.

We hope to have a schedule out around the February 22, be watching for it on the website as well as in your email.

If the weather would turn bad and you have any doubts whether club day will be held or not, listen to KMZA or KNZA for information or call Deb at 785-336-1272 or Ross at 785-541-1012.

Dog Practice
If you would like to participate in Dog practice, please contact Karen VanWinkle 785-799-5745.

2021 Fair
Mark your calendar for the 2021 Fair will be July 22-26. The 2021 fair theme will be “The Fair Must Go On”.

Virtual Judging
We will be sending several different virtual judging opportunities to you in the months to come. These are open to anyone and is a great way to try something new and see how you do. Be watching your email and our website https://www.meadowlark.k-state.edu/4-h/virtual_judging_contests.html for more information.

Leadership Fun
Since we currently can’t get together and have fun why not get together on a zoom with your 4-H friends and have fun! If you are enrolled in the Leadership project plan to attend a fun zoom event on Sunday, February 21 at 6:30 PM. The link for this is https://ksu.zoom.us/j/96434387668

Regional Club Day
At this time, we do know Regional Club Day will be held virtual. Those 4-Hers who received a Top Purple at our Club Day are eligible for this event. Your score sheet will be marked, if you received a Top Purple. Results also available online at: https://www.meadowlark.k-state.edu/4-h/seneca.html There will be a sign-up sheet available at our Club Day. The Extension Office will need to know if you will be presenting no later than Monday, March 8.

Project Record Training
Would you like ideas of what to put in your project records? Join us for a zoom Tuesday, February 16 at 6:30 PM. Make sure to have your record book, note pad and pencil for this session. The link to the zoom is https://ksu.zoom.us/j/97391979219

Livestock Tagging/Weigh-In
The livestock tagging and weigh-in dates have been set. If you are enrolled in market beef, sheep, meat goats or swine this involves you. To participate in the market animal classes at the Nemaha County Fair you must take part in these events. If you are unable to attend the weigh-in in Seneca, you are welcome to attend weigh-ins at Jackson or Jefferson County. Sheep, Goats and Swine ear tags cost $3.00 and Beef are $3.50. Ear tags must be paid for that day.

- Beef Weigh-In - February 26 @ 2:30-4:30 PM at Seneca Veterinary Clinic
- Sheep/Goat Weigh-In - April 24 at 7:30–8:30 AM @ Fairgrounds North Barn
- Swine ID due - May 1 paperwork and pictures due in office

### State 4-H Scholarships

REMINDER all seniors and college aged 4-Hers & 4-H alumni! The 2021 Kansas 4-H Scholarship process has been converted to a completely online process at: [https://www.kansas4-h.org/resources/4-h-library/awards-and-recognition/scholarships.html](https://www.kansas4-h.org/resources/4-h-library/awards-and-recognition/scholarships.html)

We ask for you to get this process completed by February 15, to allow staff time to review, verify and approve.
