

Join 4-H Today!

 Looking for an activity for the whole family?

 Why not check out 4-H?

Enrollment Begins October 1st

4-H PLEDGE

I pledge my **HEAD** to clearer thinking,
my **HEART** to greater loyalty,
my **HANDS** to larger service,
and my **HEALTH** to better living,
for my club, my community,
my country, and my world.

What's the point of 4-H? Great kids are those that exemplify the four H's, and our mission is to make that happen. Head, Heart, Hands, Health.

How does 4-H work? 4-H clubs are group of families/volunteers who generally meet monthly. These meetings give youth opportunities to share their project work (speak), plan community service activities, and practice running meetings. They have many "sub-clubs" for individual projects, led by adults or teens within the club.

Undertake Projects - Members choose from a wide range of individual projects, based on their interests and the availability of a knowledgeable adult in the community to serve as a mentor/leader. Through these projects, members set goals, learn the skills needed to achieve goals and exhibit/demonstrate their skills at events like county fairs, speaking contest and other competitions.

Projects are ENDLESS: Beef, Building Block Engineering (Legos), Civic Engagement (Citizenship), Dog, Entomology, Fiber Arts, Foods, Geology, Goats, Horse, Interior Design & Architecture, Pets, Photography, Poultry, Rabbits, Rocketry, Self-Determined (Bee Keeping, Building and Learning Exhibit), Sewing & Textile Design, Shopping in Style, Swine, Visual Arts, Woodworking...*Just to name a few!*

Meadowlark Extension - Holton has 10 Community & 2 Project Clubs to Choose From
(see back side for club information)

Volunteers - Volunteers are the heart of our organization and we are always looking for reliable, competent, caring adults to join Jackson County 4-H. All volunteers must complete an application and screening process. Contact the Meadowlark Extension Office - Holton for more information. We would love to have you!
