# RIBBON PLACING

The Meadowlark District exhibits are judged using the Danish Ribbon system where the exhibit is judged against a “standard.” Exhibits are placed in ribbon categories based upon how they compare to the standard.

## **Purple**

These are outstanding exhibits in a category that were considered for the champion rosettes. Exhibits exceed the standards of the project. This is as high of quality work as can be done, with nearly no improvements noted.

## **Blue**

The exhibit meets standards and expectations of the project. Exhibit shows high-quality work and needs little or no improvement. Excellent Exhibit.

## **Red**

The “base” placing. The exhibit meets most standards and expectations of the project. The exhibit shows high-quality work; however, some improvements can be made in workmanship, design or expression. Good Exhibit.

## **White**

The exhibit meets few standards and expectations of the project. The exhibit can be improved in workmanship, design or knowledge shared about the project. White is often the exhibit where much learning takes place.

## **Champion Rosette (purple)**

The top exhibit as determined by the judge in a category. A category may be a class, age group within a class or a sub-group within division.

## **Reserve Champion Rosette (lavender)**

The second place exhibit as determined by the judge in a category. A category may be a class, age group within a class or a sub-group within division.
