The Jefferson County Fair is coming up fast, and our 4-H youth have been working hard all year to prepare! From raising livestock, perfecting home economics projects, and building rockets, they're excited to showcase their efforts—and we want to make sure their dedication is recognized.

That's where you come in! We're reaching out to our amazing community to help sponsor awards for our 4-H youth. Your donation will go toward overall champion or reserve champion awards, class champion or reserve champion awards, keepsake plaques, and ribbon premiums that celebrate their hard work and achievements.

Want to be included in this year's Donor Fair Book? Donations need to be received by May 15 to ensure your name or business is recognized in Donor Book that's shared at the fair.

You can also choose to support a specific project area—whether it's livestock, engineering & technology, foods & nutrition, or something else—just note that in the comments when making your donation. We will make every effort to put your donation to use in your selected project. The Fair Donor Award Form is included with this letter.
