TIPS FOR RECORD BOOK SUCCESS

- Each and every Meadowlark District 4-H Member is asked to complete a 4-H Record book as part of their annual 4-H enrollment requirements.
- Typing should not have preference over neatly hand-written records. Records that are legible with work done by the 4-H member is the most important aspect.
- Records should be kept together in a Record Book into the future for consideration of scholarships, Key Award, personal reference and/or resume information.
- Plain white or lined notebook (8-1/2 X 11) paper may be used for stories and photo pages.
- Members are strongly encouraged to work on records throughout the year as they do their project work. This makes it a much more manageable task to complete!!!

4-H General Story - Overall Yearly Summary

USED FOR TOP RECORD BOOK/ROOKIE AWARDS
- The 4-H story can be hand written if you are a younger member - BE NEAT!
- The 4-H story should be like the final chapter of a book; tie the year together, summarize, and highlight important things learned and accomplished.
- The 4-H story should not exceed 6 pages, double spaced, on one side of the paper.
- Focus on 4-H work, but can discuss how your 4-H work carried over into other parts of your life. Give an introduction of yourself, family, school and community involvement.
- Discuss goals set, offices/committees, learning, presentations, leadership, citizenship, successes and challenges within the 4-H year.
- Should be more than a fair ribbon placing report.
- A catchy opening, detailed body and strong conclusion are important.
General 4-H Photos

- General 4-H photos may follow the 4-H story, but no more than three pages of photos showing youth action and participation, with captions; showing learning, leadership and citizenship.
- Photos should show work that is NOT related to 4-H Projects. This can include club activities, community service, ceremonies and other non-project specific 4-H work.

Project Record Report Form  [http://www.meadowlark.k-state.edu/4-h/project_records.html](http://www.meadowlark.k-state.edu/4-h/project_records.html)

- Separate, approved record report will be used for each project in which you are enrolled (not one per exhibit or animal, etc...).
- Some projects have multiple project phases; you must summarize all work in each phase into one project area. (IE: Breeding Beef and Market Beef is just Beef)
- Not every section of the record sheet may apply to your project work, that’s OK! Simply put a “N/A” in sections that you do not use or do not apply.
- Signatures of Member, Parent/Guardian & Club Leader must be on the front page of EACH report.

Examples: **Fiber Arts**: not a Quilting or Knitting or Weaving record. Youth may enter a quilt, knitted item and weaving exhibit at the fair, but do (1) Fiber Arts record report.

OR  **Poultry**: Youth may have 30 birds in a flock, some laying hens, some show bantams, some meat birds. Complete (1) Poultry record report for all types of birds.

OR  **Shooting Sports**: Youth enrolled in Small Bore Rifle, Shotgun, Muzzle Loading and Archery disciplines; complete (1) Shooting Sports record report.

Project Reflection

- A project reflection allows you to share more about what you did and learned within the project.
- Focuses on project work in one project, for one year. Includes 4-H and non-4-H PROJECT work.
- Follow the page number requirements based upon the appropriate age of the 4-H member.

Project Specific Photos

- Pictures should be secured on pages provided in Records Report - 6 photos/ page max.
- Each picture should have a caption describing what is taking place in the photo.
- Follow the page number requirements based upon the appropriate age of the 4-H member.

Permanent Record  [http://www.meadowlark.k-state.edu/4-h/project_records.html](http://www.meadowlark.k-state.edu/4-h/project_records.html)

- Detailed document listing everything done by the member. Don’t forget, to include non-4-H too!
- Record all exhibits, offices held, events attended, and other participation for the 4-H year.
