4-H Story 2021
#1 (Poor Example)
My name is Johnny 4-Her. I’m sixteen years old and a member of the Happy Go Lucky 4-H club in Meadowlark District. This year I was enrolled in the Hard-shelled Turtle project. I was a junior leader for my club, did some stuff like presentations and helping at the local, area, state and national level. At the fair I was a junior superintendent and got the champion turtle exhibit, two blues and a red. Something new I tried this year was incubating my own turtles. I did some community service too. High school and church activities kept me pretty busy this year too. This year was fun and I plan to be in the 4-H turtle project next year.

The 4-H Year 2021
#2 (Good Example)
Have you ever been told that a teenager is the busiest person on the face of the earth? I sure felt like that described my life this year with all the activities happening for me, both inside and outside of the 4-H program. Hello, my name is Johnny 4-Her, a nine year member of the Happy Go Lucky 4-H club in Meadowlark District. As a sixteen year old high school sophomore, I’ve found that it takes organization, planning and prioritization to balance all of my 4-H, school, church and personal activities. While this year has been extremely busy, it has been equally enjoyable and rewarding. Here are the highlights of my experiences this past year.

Leadership, citizenship, poultry and hard-shelled turtles were my 4-H projects. Four projects may not seem like many, but I’ve found that these are the things I enjoy most in 4-H. They also allow me the chance to carryover into the rest of my life and the things I’m most involved in. An example of this is the Nemaha South FFA chapter and Northeastern Kansas FFA region where I serve as the chapter and area Vice President officer. 4-H has given me the leadership and public speaking confidence to become a leader and contributor to the FFA program. One of the fun events for our chapter was the annual FFA Petting Zoo at the county Agriculture Experience day. Serving as the chairperson for this committee allowed me the chance to utilize leadership skills, reach out to my 4-H friends for assistance, and gave me cross-over with my 4-H turtle project. This event was promoted to over five hundred area students, with two hundred and seventy five actually participating in the day. It was a lot of work planning and promoting, but was well worth the effort to see the smiles on the kids faces!

Within the Happy Go Lucky 4-H club I’ve served as the club treasurer and chairman of the Topeka Zoo fund-raising project committee and served on the out-reach committee to the long-term care home. Both committees allowed me the opportunity to reach some of my personal goals in project work through leadership and citizenship activities. The Topeka zoo has been requesting funds to enhance the reptile display. Our committee decided to raise funds through the sale of Power-punch cards from local vendors. This also fit well within the club project of Citizenship, as we helped to promote businesses and the Topeka zoo project. Personally, I felt like the zoo needed some improvement in their turtle display area and felt this was a win-win for everyone.

continued for six pages discussing goals, activities and success........
General 4-H Story

• The 4-H story can be hand written if you are a younger member - BE NEAT!
• The 4-H story should be like the final chapter of a book; tie the year together, summarize, and highlight important things learned and accomplished.
• The 4-H story should not exceed 6 pages, double spaced, on one side of the paper.
• Focus on 4-H work, but can discuss how your 4-H work carried over into other parts of your life. Give an introduction of yourself, family, school and community involvement.
• Discuss goals set, offices/committees, learning, presentations, leadership, citizenship, successes and challenges within the 4-H year.
• Should be more than a fair ribbon placing report.
• A catchy opening, detailed body and strong conclusion are important.
General 4-H Photos

• OPITIONAL – not required, but a place to put “general” photos that do not specifically fit a project area.

• General 4-H photos may follow the 4-H story, but no more than three pages of photos showing youth action and participation, with captions; showing learning, leadership and citizenship.

• Photos should show work that is NOT related to 4-H Projects. This can include club activities, community service, ceremonies and other non-project specific 4-H work.

Kansas 4-H Project Report Forms

• Available as a PDF form-fillable document on MED 4-H website OR Meadowlark PILOTING ZBooks, online project reports
• Separate, approved record report will be used for each project in which you are enrolled (*not one per exhibit or animal, etc...*)
• Some projects have multiple project phases; you must summarize all work in each phase into ONE project area (*IE: Breeding Beef and Market Beef is just Beef*)
• Three levels: Junior (7-9), Intermediate (10-13), Senior (14-18) Designed to be progressive in the amount of information entered based upon age
• Two report types: Animal (*any animal*) & General (*non-animal*)
Kansas 4-H Project Report Forms

• Not every section of the record sheet may apply to your project work, that’s OK! Simply put a “N/A” or “doesn’t apply” in sections that you do not use or do not apply to your project.

• Fixed fields – not expandable, information must fit within provided space; especially for competitive, recognition side. Youth must summarize and “group” similar items together if you run out of space on the form.

  *Note: ZBooks allows unlimited entries, but must use “include in record book” to have it show up in printed “final” report.

• Reports must be printed and submitted in paper form, with the remainder of the record book.
Section 1 – Project Goals

• Successful 4-H projects begin with written goals that provide a plan for the year.

• Begin with goals designed to provide learning, technical skills, leadership and citizenship experiences for the individual.

• What new skills would you like to gain? Who is going to help you along the way?

• Setting measurable goals will help guide you through positive 4-H project learning experiences. Setting 4-H Project Goals (4H1100), will help guide the goal setting process at the beginning of each 4-H year.
4-H Project Report

Section 2- Project Presentations

• 4-H members are asked to record any and all forms of communication related to their 4-H project.
• Examples may include but are not limited to: Project Talks, Demonstrations, Public Speaking, newspaper articles, blog entries, social media, and other digital media.
• If a given presentation is evaluated, the 4-H member should record the rating received.
4-H Project Report

Section 3- Project Learning Experiences

• This section is where you report what you have learned and done within your 4-H project this year.

• List all of the new and fun things you have done and learned that are related to your 4-H project.

• Include activities such as, but not limited to project meetings, workshops, clinics, contests, tours, field trips, research, computer learning programs, completed curriculum activities, interviews, job shadows, etc.

• These learning activities may be completed in a project setting or may be the result of an independently conducted project.
4-H Project Report

Section 4- Project Exhibits

• Record project-related exhibits, entries and displays.
• May include 4-H events and non-4-H events such as school or community showcases.
• This is one section that may need to be summarized by “exhibit type” IE: Spring Shows, ARBA shows, Kansas State Fair; versus listing each individual exhibit
4-H Project Report

Section 5- Project Leadership Experiences

• Record your leadership experiences within the project. Be as specific as possible.

• Leadership is teaching another person or a group, skills or information, also includes organizing or coordinating an activity, event, or meeting; selecting and preparing materials, and selecting presenters.

• When appropriate, include quantities or frequencies, and your level of involvement. Include elected, appointed and volunteer leadership.

• Indicate the level of where the leadership took place. L (Local), C/D (County or District), R (Regional), S (State), M (Multi-State), N (National), I (International).

• Do NOT include leadership that occurred as part of performing a community service activity. Providing primary leadership to a community service effort should be reported in Section 6.
Section 6 – Project Citizenship

• Record your Citizenship experiences within the project. Be as specific as possible.

• Citizenship means helping out in your community and serving others without compensation.

• List civic engagement, community service or service-learning projects that might include: clean ups, collections, repairs, construction, care packets, visitations, education, and donations.

• Please indicate the level of where the Citizenship took place and the time given. L (Local), C/D (County or District), R (Regional), S (State), M (Multi-State), N (National), I (International).
4-H Project Report

Section 7- Project Financial Journal

• This section is where you will record all project related finances, both income and expense.
• The focus in this section is on accuracy and being thorough, not on total profit or loss.
• All project areas will incur some type of expense and most will provide an opportunity for income, IE premium money.
• On the Animal Project Report there are sections to document inventory of animals, expenses, income and animal performance related to the 4-H project.
• Be as detailed and specific as possible.
4-H Project Report

Section 8- Project Reflection

(Formerly considered a project story in previous records/KAP’s.)

• Age 7-9 report - There are questions to answer as a reflection of the project during the year. There is also a question for a parent/guardian to answer.

• Ages 10 and up reports - Should focus on the project learning and experiences in one project from the current 4-H year. However, it may also include information or references from prior years when appropriate to demonstrate growth and variety.

• Should not just be a repetition of what is in the project report. Include new information, expand on the entries to ‘tell the story’ of your project work.

• Organize your writing by including an introduction, body and conclusion. Introduction should capture the reader’s attention. Body expands upon the entries in the record, sharing your experiences, growth, frustrations, challenges, highlights and future project plans. Conclusion ties it all together, summarizing your project reflection, including career goals and acknowledging who helped you along the way.
Section 9- Photos

- Insert photos that demonstrate learning, leadership and citizenship within the project. Please note that landscape oriented photos work better in the form. Include captions in the spaces provided. Please indicate the level of where the leadership took place. L (Local), C/D (County or District), R (Regional), S (State), M (Multi-State), N (National), I (International).

Maximum photos by age division:

- Junior – 6 total photos
- Intermediate – 12 total photos: 6 learning photos and 6 combined leadership & citizenship photos
- Senior – 18 total photos: 6 learning, 6 leadership and 6 citizenship photos
- The photos used are very important and should reflect growth, development and involvement within the 4-H project.
- Use photos that show the member doing things, learning and teaching others, and especially having FUN in their 4-H project work.
